Dear Commisioner Henney: This letter is in regards to an HFA petition that you recently recieved: **I urge you to stop feeding dead animals to other farm animals that are not meat eaters.**

I'm sure you have no sympathy for any farm animal, but would it be to much to ask that they not be forced to eat food that is un-natural and unhealthy for them? I beg you to make the ethical choice.

Sincerely, Rob Allen
1423 Harvard st. "a"
Santa Monica, CA 90404
